## **Staff**

Israeli forces continue to besiege northern Gaza for the 23rd day, amid continued artillery shelling, particularly targeting Jabaliya, Beit Lahia, and al-Zaytoun.

The Lebanese movement Hezbollah targeted several sites in Galilee as Israeli raids on southern Lebanon continued.

According to the Palestinian Health Ministry (Gaza), 43,020 Palestinians have been killed, and 101,110 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.
