## **Staff**

Israel has officially informed the United Nations of the severing of ties with UNRWA, with the Israeli Ambassador to the UN claiming that the agency is controlled by the Palestinian movement Hamas.

The Gaza government media office said in a statement that all hospitals in northern Gaza were destroyed by Israel.

According to the Palestinian Health Ministry (Gaza), 43,374 Palestinians have been killed, and 102,261 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.

## **29 Killed in Israeli Attacks on Gaza - Updates**

PALESTINIAN MEDIA:

At dawn on Tuesday, at least 29 Palestinians, including children and women, were killed as a result of the Israeli occupation warplanes bombing the homes and tents of displaced people in various areas in the Gaza Strip, including Beit Lahiya, Deir al-Balah and Khan Yunis.

In Beit Lahia in the northern Gaza Strip, 20 Palestinians were killed in heavy shelling targeting a house that housed displaced people, while the Israeli occupation shelling of a tent for displaced people in Deir al-Balah in the central Gaza Strip resulted in the death of two and the injury of others, including children.

In addition, 4 Palestinians were killed, and others were injured as a result of the shelling of a tent for displaced people in the Al-Zawaida area in the central Gaza Strip.

In the Ma'an area, east of Khan Yunis, in the southern Gaza Strip, three civilians, including a child, were killed after targeting a tent housing displaced people.
