Yemeni media reported that US warplanes carried out airstrikes on the capital, Sana'a, using high-explosive bombs, causing significant damage.

At the same time, Israeli forces continued their relentless bombardment of Gaza, killing and injuring scores of Palestinians in multiple areas across the Strip.

Since October 7, 2023, Israel has killed 51,065 Palestinians and injured 116,505 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
