Norway's sovereign wealth fund may divest from Israel after adopting a new interpretation of ethics policy, according to Reuters news agency. Israeli artillery shelling targeted the vicinity of the regional area northwest of Rafah city in the southern Gaza Strip. The Israeli army decided to extend the period of its military operation in the Jenin camp, the Israeli newspaper Walla reported. According to Gaza's Ministry of Health, 40,861 Palestinians have been killed, and 94,398 wounded in Israel's ongoing genocide in Gaza starting on October 7.
