A drone from Lebanon crashed into an Israeli army camp in the Western Galilee, hours after another suicide drone killed one soldier and wounded three others in south Lebanon.

At least 12 people were killed and a number of others were injured, including children and women, in an Israeli bombardment that targeted a house in Jabaliya Al-Balad, in northern Gaza.

According to the Palestinian Health Ministry (Gaza), 43,736 Palestinians have been killed, and 103,370 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.

'Dozens of Martyrs on the Ground and Remains of Martyrs Arrive at Hospital'

DIRECTOR OF KAMAL ADWAN HOSPITAL (Dr. Hussam Abu Safiya was cited in Al-Jazeera) : Scores of martyrs are lying on the ground, after the new massacre committed by the occupation at dawn today.

The Israeli massacre led to the destruction of a residential neighborhood near Kamal Adwan Hospital in northern Gaza.

There are large numbers of martyrs still under the rubble, with no way to rescue them or remove the rubble.

Remains of many martyrs and dismembered bodies keep arriving to the hospital.

Most of the bodies are those of children and women.

Seven Killed, Wounded in Mawasi

PALESTINIAN MEDIA : Seven people were killed and others were injured in an Israeli bombardment of a tent housing displaced people in the Al Mawasi area, west of Khan Yunis.

This woman is holding her son who was killed today when Israel bombed Mawasi Khan Yunis, a so-called safe zone in Gaza. He was her only surviving child. All five of her children have now been killed.

This is not normal, not normal to see so many parents holding dead children.
