Israel carried out four new massacres in Gaza, while eight Israeli Knesset members advocated for measures aimed at a full ethnic cleansing of the northern area.

Meanwhile, the outgoing Biden Administration is considering an \$8 billion arms deal with Israel, according to Axios.

Rocket sirens continued to sound in the Gaza Envelope as rockets were launched from the war-torn Strip.

According to Gaza's Ministry of Health, 45,553 Palestinians have been killed, and 108,379 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.
