The WHO Director-General condemned Israel's aggression on Gaza's health system and demanded the release of Dr. Hussam Abu Safiya, who is currently detained in an unknown location.

Sirens sounded in the settlements of Erez, Netiv Ha'asara and Yad Mordechai as more rockets were launched from Gaza.

The Gaza Municipality said that displaced Palestinians are suffering from very tragic conditions due to rain and storms, and there are not enough capabilities to help them.

According to Gaza's Ministry of Health, 45,541 Palestinians have been killed, and 108,338 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.
