The Israeli Prime Minister's Office confirmed that at least a drone launched from Lebanon directly hit Benjamin Netanyahu's house in Caesarea. According to the office, Netanyahu and his wife were not in their residence, but military censorship is banning the publication of news.

The Director of Health in Gaza, Dr. Munir al-Barsh, said that the situation in northern Gaza is catastrophic and the bodies of more than 450 Palestinians arrived at the hospitals.

Dozens of rockets were launched towards Haifa, its bay and over 20 locations in northern Israel.

According to the Palestinian Health Ministry (Gaza), 42,500 Palestinians have been killed, and 99,546 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.
