

LIVE BLOG: Hezbollah Flexes Muscles | Israel Massacres Civilians in Gaza | Netanyahu Targets UNIFIL – Day 373

Many Israeli soldiers were killed and wounded due to a drone launched from Hezbollah.

(Photo: video grab)

By Palestine Chronicle Staff

At least seven Israeli soldiers were transferred to hospitals due to a ‘difficult security incident’ on the northern border with Lebanon.

The Israeli newspaper Haaretz reported that Israel’s plan is to besiege and starve Palestinians in northern Gaza.

Huge explosions were heard in Haifa as several rockets were fired from Lebanon to northern Israel.

According to the Palestinian Health Ministry (Gaza), 42,175 Palestinians have been killed, and 98,336 wounded in Israel’s ongoing genocide in Gaza starting on October 7, 2023.

Hamas: Genocide Continues with American Support, International Silence

HAMAS:

The continuation of the military campaign on the northern Gaza Strip, the imposition of a siege on it, and the escalation of the bombing and massacres against defenseless civilians, is a complete genocide.

The fascist occupation government is committing this crime without regard to any laws or obligations, and relying on a criminal American cover.

The international silence on this genocide, which has been ongoing for more than a year, constitutes a license for the occupation government to continue it, escalate it, and expand it to include the countries of the region.

Urgent | A new massacre.. A number of Palestinians were killed and wounded, most of them children, as a result of the Israeli occupation's bombing of the vicinity of "Ghaban Café" in Al-Shati camp, west of Gaza City.pic.twitter.com/eJiUdYJe8d#Gaza #Palestine @qudsn #Breaking...
