On the first anniversary of October 7, Israeli occupation forces continued to carry out massacres in the Gaza Strip while the Resistance kept fighting back.

Rocket barrages were launched toward Israel from Lebanon, while the Al-Qassam Brigades announced it bombed the Sufa military site and enemy gatherings at the Rafah crossing.

According to the Palestinian Health Ministry (Gaza), 41,870 Palestinians have been killed, and 97,166 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.
