Six children and women from one family were killed and eight Lebanese were injured in an Israeli airstrike on Baalbek, while several Palestinians were killed and wounded in Khan Yunis, in southern Gaza.

Tel Aviv is set to receive \$5.2 billion in emergency US aid to bolster air defenses, according to the Israeli Defense Ministry.

According to the Palestinian Health Ministry (Gaza), 42,603 Palestinians have been killed, and 99,795 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.

Israel is Besieging Hospitals, Situation Catastrophic

DIRECTOR GENERAL OF GAZA HEALTH MINISTRY:

The occupation is besieging hospitals, and the situation is catastrophic, especially in light of the famine.

Israeli occupation forces completely surround Al-Awda Hospital.

We coordinated to bring in fuel to hospitals and food to health workers, but the occupation prevented that.

The occupation commits massacres against Palestinians and besieges families in the northern Gaza Strip.

Bodies and wounded are on the roads, and ambulances cannot reach them.

The occupation is working to displace Palestinians from the North Gaza Governorate.
